# **Forage maize Trial Open day 2011**

Lackham College, Chippenham, Wiltshire  
By Kind permission of the Wiltshire College at Lackham

Date: Thursday 29th September 2011  
10.00 a.m.— 2.00 p.m.

Over 1200 plots of Maize.

Variety demo 54 varieties side by side. Including the new varieties Es Coastguard  
Es Ardent, Es Arena, Es Trust, Kira A.D. and Hobbit.

Learn which varieties suit which soil types.

Double cobbing variety Es Marco at different plant populations and  
seed treatments to establish the blueprint for growing and achieving high yields.

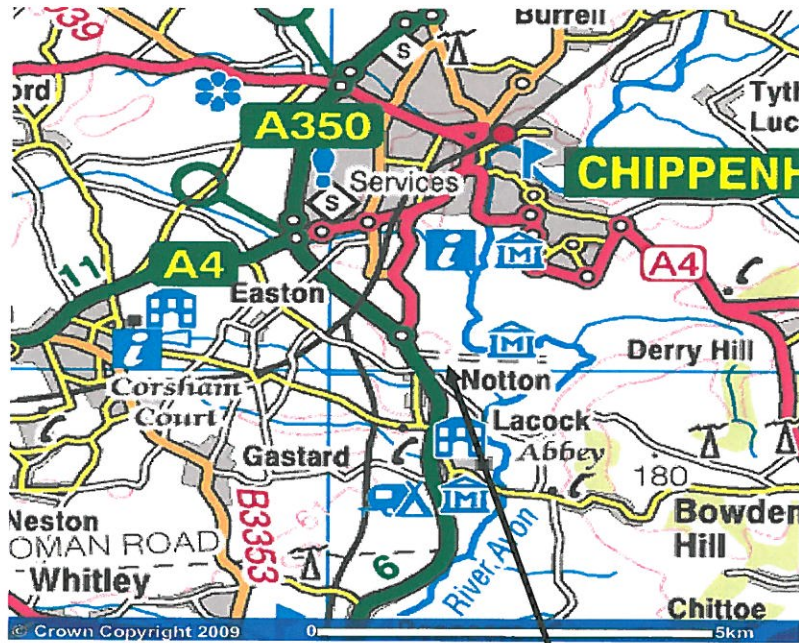

With the removal of maturity groups from the Niab descriptive list come and judge for  
yourself the true maturity of varieties.

Light refreshments available on the day.

RSVP for catering purposes to [Kevin@grainseed.co.uk](mailto:Kevin@grainseed.co.uk)

If it is inconvenient to visit the Lackham site on this day please let us know as we will be  
demonstrating our site at Broxton in Cheshire later in October.

PTO for directions.

**Lackham forage maize trials location**

From M4 follow A350 and signs towards Chippenham and Melksham. Go around the bypass A350. Follow signs for Melksham. Go past the college entrance. Take the first turning on left look for the Grainseed sign. Turn left into Notton sheep farm.
